

# Member Benefits

A membership in the Portland Metro Chamber provides opportunities to grow your business, support your employees and thrive in the Rose City

## A Chamber membership helps you...

### Stay Ahead of the Curve

Our region's economic, regulatory, and political landscape is constantly evolving. Chamber members are first to get the news and data.

### Make Business Connections

With 80+ Chamber events each year, your membership places you in company with Portland's most influential business leaders.

### Build Your Reputation

Chambers are trusted civic institutions. 63% of consumers believe that a Chamber membership shows a company is invested in the local community; and 67% report that it is an indicator of following good business practices.

### Save Money

Members have access to a free meeting space and receive discounts on critical business expenses.

### Increase Your Visibility

You are doing great things and we want the world to know! Chamber members have opportunities to build brand awareness with our members and across the country.

### Have a Voice in Public Policy

The Chamber is an advocate for our business community, shaping public policy at all levels. Get involved or sit back and know we have your best business interests at heart.

Join 2,200+ organizations investing in their own growth and the economic success of our region.
