A Place With No Ceiling

A Place With No Ceiling is an annual event that connects and inspires businesswomen by celebrating a female executive who has broken through the glass ceiling in her particular industry. In addition to an individual award winner, companies are also recognized for supporting the advancement of female employees. With the Chamber's mission to ensure economic prosperity in the Portland region by providing strong leadership, partnership, and programs that encourage business growth and vitality, A Place With No Ceiling seeks to exemplify leadership in the business world by acknowledging exemplary women who have accomplished the impossible. This event helps empower women in the workforce and provides a networking opportunity for women to connect with one another.
