

FOR IMMEDIATE RELEASE

Tualatin Country Club Announces Strategic Partnership with Portland Thorns FC

TUALATIN, OR – July 16, 2025 – Tualatin Country Club (TCC) is proud to announce an exciting new sponsorship with *Portland Thorns FC*, one of the most respected and dynamic franchises in professional women's sports.

This innovative partnership reflects a shared commitment to excellence, community, and growth—both on and off the grass. Through this collaboration, TCC will align with not only the Thorns, but also the future WNBA franchise arriving in Portland, further expanding the club's visibility and impact across the region.

"We're thrilled to work with the Thorns organization," said Bob McCall, TCC Board President. "Their reputation for innovation and community engagement perfectly aligns with our values at Tualatin Country Club. Together, we're creating opportunities that elevate the member experience while welcoming a broader and more inclusive audience to the game of golf."

The sponsorship is structured that leverages both strengths—such as premium hospitality, select tee time access, and event programming—to unlock VIP experiences, premium marketing opportunities, and high-visibility branding.

This collaboration demonstrates Portland Thorns FC and TCC's forward-thinking approach to growth and inclusion, and its desire to be a welcoming, connected, and dynamic part of the greater Portland community.

From the pitch to the putting green—Portland Thorns are now partnered with Tualatin Country Club in the first-of-its-kind collaboration in the NWSL!
